SCHEDULE 12 - APPLICATION ASSURED NETWORKING™ SERVICE

- SERVICE START DATE:** The date the last party signs Variation Agreement 3.
- SERVICE SCHEDULE TERM:** For each AAN service, it is the remaining term of the Telstra IP networking service on which that AAN service is enabled.

SERVICE TERMS

1 SERVICE DESCRIPTION AND TERMS

- 1.1 Application Assured Networking™ (AAN) is an optional add-on that aims to:
- (a) report on the performance of certain applications on your compatible Telstra IP networking service; and
 - (b) let you schedule bandwidth increases and block selected applications.

2 PRICING

- 2.1 For your AAN service, we charge you the prices in Att 1 to Schedule 12.
- 2.2 The prices and any applicable discounts set out or referred to in this Service Schedule will be effective from implementation into our billing systems.
- 2.3 All prices in this Service Schedule are GST exclusive unless otherwise stated.

3 TERM AND TERMINATION

- 3.1 This Service Schedule begins on the Service Start Date and continues for the Service Schedule Term unless terminated or renewed.
- 3.2 You may terminate up to three AAN services that you applied for and that we approved by the Service Start Date. You can do this by giving us written notice any time before the date that is 90 days after the date we activated your first AAN service. If you do this, the early termination charges under clause 3.3 don't apply to any of those three terminated AAN services. For clarity, your termination rights under this clause don't apply to your fourth or subsequent AAN services or to any AAN service that you applied for after the Service Start Date.

EARLY TERMINATION CHARGES

- 3.3 If during the Service Schedule Term an AAN service is cancelled for any reason other than for our material breach, we may charge you any waived service charges and an amount calculated as follows:
- $A \times B \times 85\%$
- "A" = the average service charges paid or payable each month by you for the AAN service up to the date of cancellation.
- "B" = the number of months (or part of a month) remaining in the Service Schedule Term.
- 3.4 You agree that the amounts in this clause 3 are a genuine pre-estimate of the loss we're likely to suffer.

4 DEFINITIONS

4.1 In this Service Schedule, unless otherwise stated:

Quarter means a full 3 calendar months based on the financial year (which begins on the first day of July in any calendar year). We'll commence monitoring your minimum spend per quarter at the completion of the first 3 calendar month period based on the financial year following the Service Start Date and each 3 calendar month period thereafter.

Spend means the GST exclusive amount of money that we bill you.
